

Are you REAL★ID'd?

REAL ID is the Department of Homeland Security's rules and standards to improve the integrity and security of state-issued driver licenses and ID cards. This helps fight terrorism and reduce fraud. REAL ID licenses and ID cards have a single star in the upper right hand corner.

REAL ID Requirements: You must apply in person and bring specific forms of identification that prove birth, social security number and residential address. If you have legally changed your name, all documents must reflect current name or additional documents may be required. The list below includes the most common documents used. The deadline for compliance is October 1, 2020.
