

Checklist #1

Out of State Title with Lien

This packet has been designed by the Constitutional Tax Collector, serving Palm Beach County to help expedite the process of applying for a Florida title and/or registration with an out of state title. Below are the requirements to transfer an Out of State title to Florida.

OUT OF STATE TITLE

If the vehicle is already titled in your name in the previous state, you will leave the title blank.

If newly purchased, both buyer and seller must properly complete the "Transfer of Title by Seller" section on the title. It must include printed names and signatures of buyer(s) and seller(s), odometer reading and date read, selling price and date of sale.

If you are leasing or financing a vehicle and do not have possession of the title, you must contact your leasing company or financial institution for release of the title.

VEHICLE IDENTIFICATION NUMBER (VIN) VERIFICATION

The VIN must be physically verified on all used vehicles not currently titled in Florida, this includes trailers with a net weight of 2,000 pounds or more. A Florida Notary Public, licensed Florida dealer or police officer from any state can verify the VIN. As a service to the public, the Tax Collector's office may also verify the VIN, weather permitting.

PROOF OF FLORIDA INSURANCE

- Must state that it is a Florida policy
- Cannot be expired or post-dated
- Must list the specific information for the new vehicle you are titling (i.e. VIN, year, make, model)
- Must list the 5-digit Florida Insurance Company Code Number

Proof of insurance is not required for the following: (1) Motorcycles, (2) Trailers, (3) Boats, (4) Mobile Homes, or (5) Off-Highway Vehicles.

SALES TAX

- Sales tax will be collected on all purchased vehicles.
- If you have owned the vehicle for less than 6 months, proof of sales tax paid must be submitted. A dealer invoice or title/registration, which specifically lists sales tax paid may be submitted as proof.
